

February 2016

Dear Sir or Madam,

Please accept this document as a formal notification that SYLEX will be gradually replacing the current standard type of cardboard reel (SIZE 0) in the complete range of products where this reel is used. The current reel (SIZE 0) has the following basic dimensions:

The new reel (POP-UP I) has slightly different dimensions in comparison to the SIZE 0 reel, leading to a higher cable coiling capacity. The new dimensions are shown in the diagrams below:

Product change notification PCN-FOI-006

An additional feature is the **easy disassembly** of the reel after use, as shown in the following pictures:

With this feature, you can easily reduce the final volume of packaging waste by 88%.

For detailed information, please contact your primary SYLEX representative.

This change will be implemented through a gradual roll-out, coming into effect after stocks of current drums are depleted.

Sincerely,

Your SYLEX team
