

November 2017

Dear Sir or Madam,

Please accept this document as a formal notification that SYLEX will be gradually replacing existing LC and SC adapters with Phosphor Bronze (PhBr) sleeve to LC and SC adapters with Zirconia sleeve (ZrO₂). This change is intended to provide our customers with higher quality products.

For detailed information, please contact your primary SYLEX representative.

This change will be implemented through a gradual roll-out, coming into effect after stock of the current versions LC and SC adapters are depleted.

Sincerely,

Your SYLEX team
